"My face and neck were ruined with pimples and blackheads. The pimples were hard and red, and would itch and burn so badly I could hardly sleep at night. When I scratched them, eruptions as large as a pea began to come on my face, and I was ashamed to go out doors. My whole face was disfigured."

"I had been suffering about five weeks before I began using Cuticura Soap and Ointment. A free sample gave me relief so I bought more, and one box of Cuticura Soap and two boxes of Cuticura Ointment completely healed my face." (Signed) Andrew Hard, 4 Maggie St., Montgomery, Ala., April 6, 1916.

DAILY THOUGHT.

The only safety in our American life lies in curbing the accidental misfortunes which under one man from another, and in paying homage to each man only because of what he essentially is, in stripping off the mask of occupation, of position, of accident, until the soul stands forth resplendent, and we know the man only because of his worth as a man—Tennessee Roosevelt.
